LIVING ON THE WESTSIDE

They tell us that we're missing out
They tell us we're deprived
But we're growing more determined now
Determined to survive
Our moving days are over
It's time to settle down
So we'll jusy keep on keeping on
On the western side of town

Living on the west side of the Melbourne city smoke
Gotta be the best side cos I'm just a simple bloke
Living onthe westside
Living on the best side
Living on the western side of town

So we've got a lot to skite about
A lot to make us proud
We can stand up there with the best of them
And shout our name out loud
But when the weekend rolls around
The thing I love the best
Is a Friday beer in a local pub
And you can go and hang the rest
